About Us

Since 1992, Good Shepherd Volunteers has connected young adults to one year, full-time volunteer opportunities serving women, children, and adolescents affected by poverty, violence, and neglect. Developing relationships with under-resourced communities empowers volunteers to grow in a knowledge and faith that inspires them to lead a life of seeking justice.

Four Tenets

GSVs are guided by four core tenets:

Community	Simplicity
Social Justice	Spirituality

We're Serious About **Social Justice.**

Considering a year of service? We're here to help, every step of the way.
